People walk out of her sessions feeling they have **more** focus, **more** confidence, **more** balance, and **more** time. Before long, they're reporting a dramatic increase in productivity and well-being, happy to be performing at their best.

Working in close partnership with your organization, Bonnie discovers your business needs, creates a custom tailored strategy, and delivers a solution that produces an enviable return on your investment.

Here are some of her most requested presentations:

Get endless referrals through the networking dance - This detailed, fast-track approach for successful networking, stresses the importance of active-listening skills, professional development and how to obtain direct referrals. Bonnie shares the conversational skills, marketing tips, sealing the deal techniques, and networking skills which puts the focus not only on how to say what you mean but also how to mean what you say!

Be noticed – in a good way! - Be remembered at any event. It is never easy walking into a room full of strangers. Yet effective networking is one of the best ways to build your business. Let Bonnie show how to make a lasting impression, even when you don't know a soul in the room.

Are you a natural leader? - Are leaders born or are they created? Learn the answer to a topic almost as controversial as which came first: the chicken or the egg. Bonnie highlights the ways to become a leader from the inside-out.
